DEAR SIRs,

On 1 January 2015, Albrecht Bäumer took over the product line and sales activities of the bonding machines and production lines manufacturer Lamit from Wesel, Germany. By including bonding technologies into the product range, Bäumer succeeds in integrating a further production step into automated production lines.

We are pleased to invite to a live demonstration of our Lamit Bonding System at the Interzum Fair, taking place 5 – 8 May 2015. We are looking forward to welcoming you personally at our booth.

The following contact persons will be happy to answer your questions regarding Lamit products:

Ms Annette Bramert

**LAMIT BONDING MACHINE MANUFACTURER
FROM WESEL**

Since 1989, Lamit has been focusing on supplying the mattress industry with automated bonding machines and line concepts for the production of raw mattresses and has become the world leader in this field. The shareholders of Lamit Company have retired from business and decided on selling the company to Bäumer.
